The English Link

The English Link Newsletter provides updates of the Association as well as giving parents and children details of work the children will be doing, have done and any events and news.

Flight Workshop

A word from your President

The recent Flight Workshop for the Primaire and Maternelle children was such a huge success that we are keen for you to see what the children did. A huge thank you as well to the parents who helped us. Without you, it isn't possible. We also have our celebrations coming up soon to mark our 10 years of English Link. Well done to all those who have made it possible as the English Link would not exist without the foresight of our founding members. Please do join us to celebrate this important milestone. Enjoy!!
With kind regards, Catherine Souchard

Our English Link workshop on Flight gave the children a unique opportunity to meet a real Flight Test Engineer (mum Carmen Evans) who explained to them what her job consisted of and showed them pictures and taught them some new vocabulary.

After that, they made paper aeroplanes and discussed the forces that make aeroplanes fly and how to generate lift.

The smaller ones tested out their aeroplanes and had races with them.

In the second part of the workshop all the children made their own parachutes and the older children even had the chance to design their own parachutes and test how they landed onto the ground.

All in all it was a fun morning for parents and children alike, the testimonials speak for themselves!

All the children left with a Flight booklet which included lots of information and fun ideas!

"I loved the workshop, especially the parachute competition I loved the little one who answered all the questions. I've tested the parachute from my apartment on the top floor and it landed a really long way away." Sasha, CM1

"...we went on an adventure!" Paul, MS

"It was so good.... It was very well organised and we had lots of fun. We had a REAL pilot! I loved it!" Xavier, CM1

"It was super good and I liked it, all of it!" Margaux, GS

"...The pilot was cool. I liked seeing her in her helmet and mask", Antoine, CM1

"We saw a pilot!" Florian, GS

"I loved the workshop. The pilot was SO nice. It was so fun when she helped the teams. I loved the decoration of the cake. Régine is so nice always!" Talia, CM1

"It was fun when we tried the parachutes" Olivia, GS

"It was really good because we did a lot of cool things and we learnt lots of things. It wasn't somebody in a costume, it was a REAL test pilot in a REAL uniform. I loved the runway on the cake, it was super cool", Grace-Lily CM1

Celebrating 10 years of English Link!

Saturday 22nd April 2017

4pm – 9pm

Salle Corraze

3 rue Raymond Corraze, 31500, Toulouse

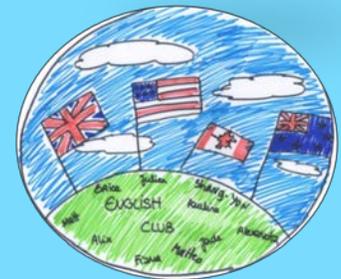

Please come and join us celebrate!

Next Workshop!

Look out for news of our next Workshop.

Sports Day

Wednesday 7th June 2017 at the Primaire
Please register early to avoid disappointment!

Aims of the English Link Association:

Working with English speaking children to help them achieve a high level of oral, reading, writing and comprehension.

We help the children reinforce their existing English skills with activities that are both enjoyable and challenging.

The children have an opportunity to gain pleasure and confidence using the English language, whilst we provide support in areas of weakness.
